

Our First steps...

Thank You! - Lisa

1. What size book do you think would work best for you?
is it a Novel/Non Fiction?
Workbook?
Children's Book?

2. What thickness paper?
Do you have a lot of illustrations, photos or is it text heavy?
Do you mind "ghosting" ie print showing through?

3. White paper or cream colored paper?

We can help with every decision!

Color Pages

Do you have interior color pages? Yes No

If so, how important is it that you have the cleanest/crispest images?

I am somewhat concerned about the color quality

My book is centered around the photos/illustrations. The color quality is vitally important to me.
