

turn to me,  
for my problems  
seem to be  
going from  
bad to  
worse.

Only you  
can free  
me from  
all these  
troubles  
until you  
lift this  
burden,  
the burden  
of all my  
sins.

my  
troubles  
will be  
more

than I  
can handle

Can't you feel my  
Pain?
